## Fellowship

*And let us consider one another in order to stir up love and good works, not forsaking the assembling of ourselves together, as in the manner of some, but exhorting one another...Heb 10:24-25*

Connect. Fellowship. Grow

# GROWTH

At each meeting members have the opportunity to share their current life challenges, if they wish and practical advice is offered. The word of God is used as the tool to giving life instructions and we encourage each member to participate in discussions and grow individually in their respective lives.

The Home group meetings hold once a week. The meetings last for about an hour.

HOW LONG?
