that bringeth forth his fruit in his season;
his leaf also shall not wither; and whatsoever he doeth shall prosper.

RIVERS OF WATER

- **BY THE RIVERS OF WATER:**

Palgey mayim- divisions of water

The rivers of water fuel the growth and release nutrients.

Rivers: Indicates Multiple streams of Blessing,
Multiple dimensions of God

Same experience as EDEN

WATER: GOD- Same Source

EDEN

- GEN 2:8-10

- Eden –(**Spot, Present, Moment, Presence, Delightful moment – Open Door**) is now believed to be more closely related to an Aramaic root word meaning "fruitful, well-watered."
- The rivers that flow into the Garden irrigate the tree with the Essence of God. It carries the **very Essence of God.**

What to Expect

- **Fruiting in Season:** The man flourishes in His time. He doesn't release before its season. God brings out in due season
- **His Leaf does not wither-** The glory of God on His life does not diminished because He has a constant flow of God's infusion. He doesn't experience dryness, shrivilness, He is fresh, He is consistently.
- **Whatsoever He doeth- Prosper-** There not limit to what God can do through Him
